Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for the **Pinewood Elementary**. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact me at lkondziolka@waw.misd.net for assistance.

The AER is available for you to review electronically by visiting the following web site https://goo.gl/Q48Mql, or you may review a copy in the main office at your child's school.

The most recent M-Step data reveals our key challenge at Pinewood is the achievement of students in the bottom 30% of all tested content areas. In order to close this achievement gap for all students, we are focusing our efforts on research based instructional practices, interventions, as well as continued professional development.

State law requires that we also report additional information. At all elementary buildings in Warren Woods Public Schools, students are assigned to schools based on residency or Schools of Choice status. Additionally, Warren Woods Public Schools achieved District Accreditation through AdvancED in the November of 2015; all three elementary schools are in their fourth year of a School Improvement Plan. All elementary school buildings in the district are K-5 (all subjects). A copy of our school's curriculum may be accessed in the district Curriculum Office located at 12900 Frazho Rd., Warren, MI 48089. Teachers follow the Common Core State Standards as the implemented curriculum in their classrooms. For aggregated school-level Student Data, see linked reports above. During the 2014-2015 school year, **Pinewood Elementary** had 95% of the parents/guardians attend Parent-Teacher conferences.

The Briarwood learning community, comprised of students, parents and staff, can take pride in the accomplishments and achievements of our students. Working together as a team promotes learning for all. We look forward to the continued success of all of our students.

Sincerely,

Leo Kondziolka
Principal
Pinewood Elementary
