Behavior Management and Motivation

Prezi

Why?

Turn and talk: What benefits are there (for teachers and/or students) to practicing effective behavior management techniques?

Among many...

- More instructional minutes
- A positive student-teacher relationship: one of the biggest factors of motivation in the classroom!

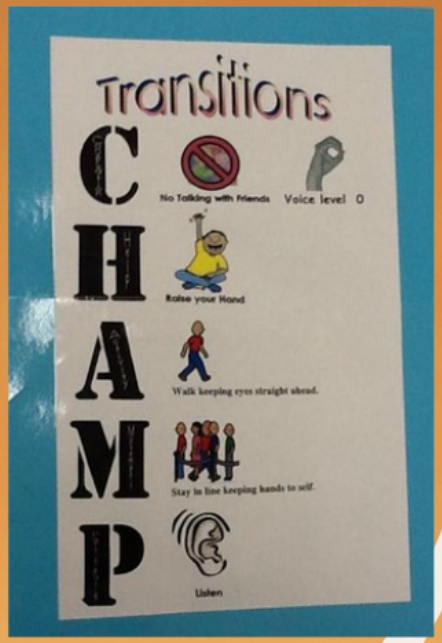
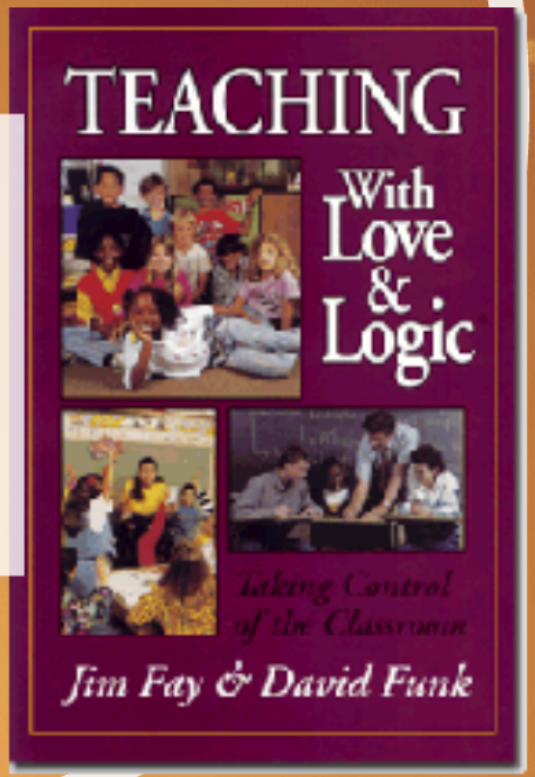
- Beginning of the year & occasionally throughout
- Clear expectations (CHAMPs)
- Rehearse routines and transitions
- Friendly competition
- Reinforcement (diminishing schedule)



Prezi

Dealing with bad decisions...

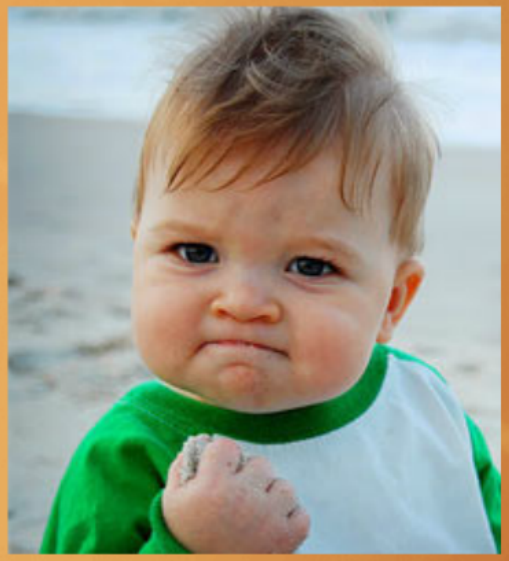
- Love and Logic one liners (resource packet)
- Delayed/ student choice in consequences
- Student/Parent/Teacher contact
- Cool off time



Prezi

Difficult or Angry Students

- Preemptive strikes: jobs and praise, positive identity, find a reason to admire or connect to them
- 5 to 1 ratio of positive to negative interactions
- Diffusing arguments ("I know, but what did I say")



Prezi

Never let them see you sweat...

- The power of silence
- Enforceable / I statements (resource packet)
- Thank you
- Keep it simple
- Smile through the pain

Prezi

Be Vulnerable

- Makes it easier for kids to relate to you
- Opens doors for risk taking in class
- Builds trust

Prezi

Closing Activity

In your resource packet...

- Identify one strategy you can use tomorrow
- Identify one strategy you plan to use in the future
- Identify one question you have/ something you want to learn more about
