However, if you choose to have one of our staff members babysit your child, services must be outside the center premises and with the understanding that such arrangement and payment for services are solely between you and the person who is caring for your child. The arrangements are not sanctioned and no liability is assumed by the center, the client sponsor, or Warren Woods Public Schools.

Birthday party treats are welcomed. Talk with your child's Caregiver in advance to let them know when you would like to bring in your treat. They will let you know if there are any food allergies.

Invoices should always show a credit balance that is sufficient enough to cover the current weeks invoice and any fees that have not been billed.

Early Childhood children are charged based on a daily rate. A 10% discount will be given to Early Childhood siblings who **attend** five full days. We encourage you to put someone on your child information form that will be able to pick your child up on time for those days that you may be late.

You may pay your bill online at www.warrenwoods.misd.net. Click on PaySchools and then childcare fees. For your convenience, there is a computer located in the office for you to pay your tuition.

Changes may include, but are not limited to:

- A. **Fever**-If a child has a temperature of 100 degrees F (taken by mouth) or 99 degrees F (taken under the arm).

A child is considered too ill to remain in the group if one or more of the following conditions exists:

- A. The illness prevents the child from participating comfortably in activities as determined by the center

- B. The illness results in a greater need for care than the child care staff can provide without compromising the health and safety of the other children.
2. The center shall assure that a child too ill to remain in the group is placed in a separate area and is cared for and supervised until the parent/guardian arrives.
 3. Items and facilities, including sleep equipment, bedding, utensils, toys, toilets, and lavatories, used by the ill child shall not be used by any other person until thoroughly cleaned and sanitized.
 4. If the center becomes aware that a child in care has contracted a communicable disease, then the center shall notify parents/guardians of the following:
 - a. The name of the communicable disease the children were exposed to
 - b. Prevention measures as recommended by the U.S. Centers for Disease Control and Prevention at the following website:

Please do not send sick children to our program. Any child with a fever and/or diarrhea or any other symptoms that impair him/her from participating in the program will be sent home. You must pick your child up within one hour after you receive a call from the center. If you are unable to pick your child up within that hour, someone listed on your child's information form must come and get your child. Your child will not be able to return to our center until one full day **after symptoms subside**. You must call our center by 9:00 a.m. if your child is ill, will be late or is not attending his/her regular day. If you do not call the center, you will be charged for the day. Parents/guardians should still call in before 9:00 a.m. even after absentee days are used up. Illnesses and vacations count towards your child's absentee days.

Please let the Program Director know one week in advance when your child will be absent due to a vacation.

Medications and Special Information

If your child is on any kind of medication, prescription or nonprescription, even if he/she doesn't take it while in our care, we must have a medical form filled out. In the event of emergency treatment, we must know if the child is on any medication. Prescription medication shall have the pharmacy label indicating the physician's name, child's name, instructions, and name and strength of the medication and shall be given according to those instructions. Topical nonprescription medication, including, but not limited to sunscreen and insect repellent, requires written authorization annually.

Medication cannot be added to a bottle, cup, or food unless indicated on the prescription label.

If your child is troubled or has gone through a difficult period such as divorce, death in the family, separation, etc., we should know about it so that if he/she is acting out of the ordinary, we will know why and be able to handle the child properly.

Toys

We encourage children to leave their toys at home. All of our classrooms are equipped with plenty of toys and equipment for the children to play with. **We are not responsible for any lost, stolen, or broken toys.**

Biting

Biting is a part of normal development for some toddlers. We will take every precaution to insure a safe environment for every child. However, please be patient with us if your child is bitten. We will take appropriate action with the family of the biter to help that child through this trying developmental stage. Children who are bitten will be treated and cared for appropriately. If a child bites repeatedly and does not respond to our procedures, he/she could face temporary removal from the program.

Children's Conduct

Please review with your child/children our expectations of them to make their time in our program a safe and pleasurable experience.

- Children must remain in their designated area.
- Children are to respect the rights and property of others.
- Children are to act courteously and appropriately, be cooperative and follow the instructions of the staff.
- Appropriate and acceptable language is expected.
- Children are expected to be responsible for their actions.
- Material and equipment are to be treated properly and returned to their proper place when done.

The child who constantly needs the attention of the staff is taking away the rights of the others and not allowing for the needs of all children to be met.

Discipline Policy

FIVE BASIC EXPECTATIONS

In order for our center to function in a safe manner where all children feel accepted and respected, these are the five basic expectations of children's behavior:

1. All children are expected to follow directions.
2. All children are expected to keep their hands, feet, and objects to themselves.
3. All children are expected to use polite language. No teasing, swearing, or name-calling.
4. All children are expected to use inside voices.
5. All children are expected to walk while in the building.

ASSERTIVE DISCIPLINE

Warren Woods Early Childhood Center subscribes to the district-wide assertive discipline philosophy, which is progressive in nature and intended to help children learn to behave appropriately. When a child's behavior fails to meet with any one of the expectations outlined above, disciplinary consequences will result.

CONSEQUENCES

1. Redirection
2. Thinking Time
3. Written notice describing misbehavior will be sent to parent/guardian.
4. Additional written notices for repeated misbehavior will result in suspension. A meeting between the parent/guardian and program director may result.

SUSPENSION

Additional written warnings will result in suspension from the center for the number of days indicated below.

2nd Written Warning: 1-day suspension

3rd Written Warning: 3-day suspension
4th Written Warning: 5-day suspension

A meeting with the parent/guardian, caregivers, & program director will be scheduled.

5th Written Warning: Withdrawal from the center. Return to the center is contingent upon a re-admission plan developed by the program director and parent/guardian.

Dismissal From Program

The following circumstances may also result in your child being dismissed from our program:

1. Failure to pay for services in a timely manner.
2. Returned Checks.
3. Failure to sign your child in or out of the program on a daily basis.
4. Dropping off a child prior to the program's designated starting time and leaving them in an unsupervised situation.
5. Chronic disregard for the 6:00 p.m. closing time.
6. Failure to complete the child information form or other forms at time of registration.
7. Any behavior that does not adjust to the behavioral recommendations of our center.

Parent/Guardian Responsibilities

- Fill out all registration forms completely, sign them, and keep the information current.
- Read all communications on the information board/table frequently. Also, be sure to read any notices and/or letters that are sent home.
- Check your child's folder daily.
- Pay all fees on time along with handing in your weekly schedule on time.
- Make alternate arrangements if your child is ill. We do not have the facilities to care for sick children.
- Parents/Guardians must sign their child in and out of the program.
- Keep the staff informed of any changes or incidents in the home that may result in a change in your child's behavior or attitude.
- Listen to concerns of the staff regarding your child and work with the staff on an agreeable solution.
- Parents/Guardians should feel free to discuss any concerns with the staff and or directors.
- Please label all of your child's belongings.
- Parents/Guardians are responsible to notify the program of any changes in their child's attendance schedule.

Child Custody

Unless our centers are given a copy of a court order granting custody to only one parent/guardian, and/or restraining the other parent/guardian from contact with the child, the employees in the Warren Woods Early Childhood Program do not have legal authority to withhold the child from the legal parents/guardians. If a parent/guardian who does not have legal custody arrives to pick up a child, the center can refuse to release the child, relying on the court order in the files.

Emergency Information

Every precaution has been taken to ensure a safe, comfortable environment for the children. However, if a child is injured the following steps will be taken:

1. Basic first aid will be performed. Cuts will be washed and bandaged. Bumps will have ice applied to them.

2. In the event of serious injury, the parent/guardian will be notified. If the parents/guardians are not available, the person listed on the child information form will be called.

911 will be called if needed. PLEASE KEEP CHILD INFORMATION FORMS UPDATED AND COMPLETE!

Severe Weather

Snow Days: If ***Warren Woods Public Schools*** are closed, we also will be closed. Listen to WWJ 950 News Radio or watch channel 2, 4, or 7 for school closings.

Tornado: In the event of a tornado, the children will be taken to a designated room in the building that does not have windows and which has been designated the safest.

Emergency Closing: In the event that school should close during the day, parents/guardians will be notified to come and pick-up their child. If parents/guardians cannot be reached, a person on the child's information form will be called to pick-up the child

Our policies may be modified as situations arise or regulations or needs change.
