Dear Parents/Guardians,

I am pleased to announce that our students, both face to face and virtual, have been offered the opportunity to take part in a school field trip to The Henry Ford Museum on **May 3rd, 2022**. We will leave at **8:45 am** and return to EHS **by 2:30 pm**. The school will provide a packed lunch for each student, but they can buy their own at the museum. If your student is not attending the field trip you will need to call the school to verify their absence.

It would be of great value for our students to experience The Henry Ford Museum. The museum brings together different studies in a current and engaging approach that also allows students the opportunity to visualize different careers. Students will be able to see historic artifacts, scientific innovations, artistic breakthroughs, and watch as stories unfold within the exhibits. Students will be able to see relevant real-life examples of studies that emphasize art, science, and history.

Please sign the attached **permission slip**, then have your student return it by **April 29th, 2022**. The usual cost of this field trip would be \$20, but thanks to a grant from the Warren Woods Foundation Association, the trip is free. Should you have any questions regarding this trip, feel free to contact me at (586) 439-4407 or tbaldwin@mywwps.org.

Thank you,

Tim Baldwin
Coordinator
