

WARREN WOODS ENTERPRISE HIGH SCHOOL ANNUAL REVIEW

JUNE 2012

MOVING FORWARD *EHS MAKES A PUSH TO GET GRADS ENROLLED AT MACOMB COMMUNITY COLLEGE*

New EHS Principal Mr. George Hamblin knows about competition. One of the state's premiere wrestling coaches, he is running out of fingers on his left hand in which to wear his State Championship rings. Hamblin understands that high expectations, a strong work ethic and a common goal, be it an athletic endeavor or in the classroom, are the building blocks to a healthy and successful community.

Eyeballing a brutally competitive economy, Hamblin understood that EHS grads had to extend their education beyond high school. Hamblin, along with EHS counselor Mr. Jason Nostrant, developed a plan to get as many EHS grads enrolled at Macomb Community College or another academic institution. They held seminars, brought in college representatives, discussed the intricacies of financial aid and took multiple field trips to Macomb Community College. The EHS team knew that establishing a culture that would expose and inform EHS grads about collegiate education could make the transition for these students somewhat easier.

All the hard work resulted in 40 EHS grads enrolling in Macomb Community College. Some students picked other educational or professional training institutions to develop their skills. This program will continue to be fine tuned next year. Another goal for the EHS team is to have some EHS seniors dual enrolled during their final year of high school. This scenario would have a senior finishing his/her high school requirements and taking a college class at MCC.

The entire Enterprise High School staff is dedicated to creating a culture that makes life long learning a normative and realistic goal for all EHS students.
Sincerely, Matt Tanguay

THE YEAR IN REVIEW

THE STAFF AND STUDENTS OF EHS ARE ENCOURAGED BY THE MANY POSITIVE STRIDES OUR SCHOOL HAS MADE THIS YEAR. THE 2011-2012 SCHOOL YEAR SAW EHS MAKE A CONCERTED EFFORT TO ENROLL GRADUATES IN COMMUNITY COLLEGE OR TRADE SCHOOL.

FIRST YEAR PRINCIPAL MR. GEORGE HAMBLIN AND COUNSELOR MR. JASON NOSTRANT DEVELOPED A SUCCESSFUL PROGRAM THAT HELPED EHS STUDENTS UNDERSTAND THE PROCESS AND EXPECTATIONS OF A COLLEGE STUDENT.

EHS, MUCH LIKE THE REST OF THE NATION, HAD TO PREPARE FOR AND TAKE A VARIETY OF STANDARDIZED TESTS. THE EHS TEAM, LED BY MELISSA MAJESKI AND MATT TANGUAY, GUIDED STUDENTS THROUGH THE ANNUAL ACT/MME TEST IN MARCH. OTHER FORMAL ASSESSMENTS THAT WERE USED TO GAUGE STUDENT ACHIEVEMENT WERE THE NWEA AND THE PLAN.
