**(3/3): 23g Expanded Learning Time**

**Owner:** Karen Beal

**Start Date:** 10/30/2023

**Due Date:** 06/30/2026

**Summary:** EdTrust defines expanded learning time (ELT) as programs or strategies implemented to increase the amount of instruction and learning students experience. ELT strategies include afterschool, summer, and in-school programs. The evidence suggests that extended learning time programs, including extended school day (ESD), extended school year (ESY), and expanded learning opportunities (ELO) programs that provide academic services during out-of-school time hours, can be effective in improving a range of educational outcomes for students. Findings also suggest that extended learning time programs may be more advantageous for low-income, low-performing, ethnic minority or otherwise disadvantaged students.

**Buildings**

- Briarwood Elementary School
- Pinewood Elementary School
- Warren Woods Enterprise H.S.
