Westwood Families,

I hope this update finds everyone healthy and feeling accomplished! This message is a special “SHOUT OUT” to our Wildcat parents and families! We are so proud of your efforts and commitment to your child’s education. As we navigate the weeks ahead, I wanted to offer a simple reminder, health before homework and family first. During these uncertain times, it’s important to prioritize and find a balance in life. We are all doing our very best, we are a TEAM, and we are here to support each other.

Tips for Parents

Wonder Wednesday
Based on feedback from teachers and conversations with parents, I just want to clarify our “Wonder Wednesday” expectations. We have received a few questions regarding our Specials: Media, Gym, Art, Music, and STEM. As you’ve noticed, we have one day a week dedicated to exploration and enrichment activities for our students. Wonder Wednesday is an opportunity for students to engage in some fun interactive activities. This day is flexible, as are most lessons. We understand that our families are doing their very best to fit everything in, and we appreciate your effort. Please use these Wonder Wednesday lessons as a break from the academic routine. These activities are not required, but our teachers have done a fantastic job creating interesting activities students will enjoy. If you have any questions regarding Wonder Wednesday activities, please reach out to your child’s Special teacher. They would enjoy hearing from you.

Packet Pick-Up
If your child is receiving an instructional packet, week 3 & 4 will be available Monday, May 4th from 7-5:30pm. These packets are located in the vestibule entrance of the school. Due to the Governor’s social distancing order, only one Adult should enter the building at a time. We appreciate your cooperation. If you need to drop off a packet or library book, we have boxes in the vestibule designated for drop off items.

Have a wonderful weekend, Wildcats!
